

## ONE YEAR OLDER ...

# EOC Celebrates 42 Years of Excellence

A little rain and thunder didn't stop birthday revelers from celebrating the Agency's 42nd birthday as dozens of devoted employees gathered in the breezeway Thursday morning for birthday cake and punch.

Executive Director Roger Palomino and Board Chair Moses Stites kicked off the celebration; they shared a few words with the crowd and credited the success of our Agency to our employees who, everyday, give of themselves to our organization and community.

Lead by Finance's Shirley Wayne, The Diversities — the Agency's choir — got the crowd to join in and sing a special rendition of "We Are Family" followed by both upbeat and traditional versions of "Happy Birthday".

***Happy 42nd Birthday EOC!! We look forward to many more years of community involvement and success!***
