

A Heartfelt Thank You

Sanctuary Youth Services staff and clients would like to extend their sincere gratitude to those of you who generously donated food during our Agency's annual holiday food drive.

We were all amazed by both the quality and quantity of this year's assortment. Please know that your contributions truly made a difference and brightened a family's day this holiday season.

Ready to eat items and canned foods with pop-top lids were distributed to homeless families in motels and on the streets by our SOS team. Boxed and bagged items such as lasagna noodles, masa mix, and cornmeal and stuffing will be used in cooking workshops to teach the young adults in the Transitional Living Centers how to make nutritious and delicious meals at home. The canned fruits and vegetables, tuna, peanut butter and jelly, chili beans, soups, pastas, sauces, mac and cheese, juices and other items were divided into bags and boxes and distributed to Sanctuary youth and families who dearly appreciated the opportunity to restock their dwindling pantries.

Thank you again and Happy New Year
from all of us at the Sanctuary!
