## Food Services

2007 Western Region Sunshine Award  
for

*“Enhancing the Nutrition  
Quality and Appeal of Meals”*

The United States Department of Agriculture (USDA) awarded Food Services this prestigious award for the “innovative approaches taken to increase the nutritional quality and appeal of meals served at summer meal sites. Food Services’ creatively prepared menus featured a wide variety of fruits, vegetables and whole wheat breads that proved to be very popular with the children.”

The Summer Food Services Program (SFSP) provides free meals to underprivileged youth 18 years and younger. Our Agency began sponsoring SFSP in 1991 with only two sites; 16 years later, the program has expanded 62 sites throughout Fresno County.
