Sanctuary Youth Services provides a "continuum of care" to assist runaway, homeless, and otherwise displaced youth with successful transition from adolescence into adulthood. Sanctuary Youth Services operates an emergency shelter for 11-17 year old youth in crisis; provides outreach services to homeless youth and families on the streets; operates three transitional living centers to assist 16-24 year old youth with preparation for sustainable, independent living; and maintains Safe Place sites throughout Fresno County to facilitate youth access to shelter and services.

ArtHop, a program of the Fresno Arts Council, is held the first and third Thursday of the month.
