Spring Family Day At Roeding Park

The day was beautiful, but the temperature was scorching. That's the best way to describe EOC's Spring Family Picnic at Roeding Park. By 1:00 pm the temperature had risen to 102 degrees. With temperatures like that, you just have to plan your day better and

that's exactly what EOC employees did. Many arrived as early as 9:00 am with sunblock in hand to hit the Chaffee Zoological Gardens first. Later they made their way to Maple Grove picnic area to have a great lunch by noon. Jon Escobar, EOC's Chef planned a picnic lunch of tasty barbecue chicken, mini corn on the cobs and chilled potato salad. It was all topped off with an assortment of soft drinks and frozen fruit sorbet cups. All the tables were decorated with palm trees and

zoo animals and colorful licorice treats that EOC employees and their kids could take home after the picnic. All things considered, it was a "HOT and sunny day" but a beautiful day at EOC's Spring Family Day at Roeding Park/Chaffee Zoo.
